द्वारा शासकीय औद्योगिक प्रशिक्षण संस्था भंडारा

Dear Sir/Madam,

I hope this email finds you well.

I am writing to you from Quess Corp Ltd, a leading provider of staffing services.

Further to our discussion, I would like to extend an invitation to collaborate with us on an exclusive hiring event for our client, Adani Electricity, at your esteemed institution.

Adani Electricity, a prominent player in the energy sector, is currently seeking to on-board talented individuals for various positions for Maharashtra locations. As a trusted partner of Adani Electricity, Quess Corp is managing their hiring requirements, and we believe your institution's pool of skilled students would be an excellent fit for the available opportunities.

By participating in this hiring event, your students will have the chance to explore rewarding career prospects with Adani Electricity, while our client can access a pipeline of qualified candidates. This partnership would enable us to identify the best-suited individuals and facilitate a seamless recruitment process.

Request you to find the attached detailed job descriptions of the opening we have for Adani Electricity. We can then coordinate with you to schedule the on-campus hiring event at your earliest convenience.

I'm looking forward to working closely with you to make this hiring event a success for both.
